## About us

### Organic Harvester

Organic Harvester presents a patented, biogas slurry-based organic fertilizer crafted through advanced natural fermentation and eco-biotech processes. This scientifically formulated blend of beneficial microbes, micronutrients, and plant bio-stimulants is designed for spray, drip, or drenching applications, delivering visible results in 10–15 days. It enhances flowering, boosts yield by up to 30-50%, improves soil fertility, and eliminates the need for chemical fertilizers or cow dung. Safe, sustainable, and residue-free, it's ideal for all crops and climates, supporting farmers and agribusinesses in achieving healthier harvests and greener farming.

#### 🌿 **ORGANIC HARVESTER – Patented Organic Farming Innovation** 🌿

100% Organic | Biogas Slurry-Based | Eco-Biotech Powered

- Patented microbial formula for spray, drip & drench
- Visible plant response in 10–15 days
- Up to 30-50% higher yield with better taste & shelf life
- Chemical-free, residue-free, safe for all crops & climates
- Enhances soil health & promotes sustainable farming

🌱 **Grow Naturally. Eat Mindfully. Thrive Fully.** 🌱

# OUR PATENTED INNOVATION

PROVEN GROWTH. TRUSTED BY FARMERS

REVOLUTIONIZING AGRICULTURE WITH PATENTED BIO-TECHNOLOGY

India's First Patented Organic Solutions- Organic Farming Redefined with Exclusive Patented Formulations.

## PATENT INVENTION-1 : “A Multifunctional Organic Composition for Crop Nutrition and Protection”

### Bio-solutions drivers

#### Demographic growth

The need to feed  
more people with less  
and better-managed  
resources.

#### Climate change

Equipping crops  
to withstand increasingly  
extreme weather  
conditions.

#### Crop nutrition

Sustainability improve crops  
nourishment and yields

#### Sustainability

Partnering environment  
stewardship and profitability

#### Soil preservation

Support soil  
ecosystem balance  
and nutrients availability.

100+ Natural Inputs. 0% Chemicals. 50% More Yield. Protected under Indian Patent Application No. 202521070990. Temp/E-1/79480/2025-MUM

Patented Multifunctional Organic Composition- “One Organic Formula – Three Powerful Functions

**Key Benefit:** “Triple-action organic power: bio-fertiliser, bio-pesticide, and bio-fungicide in one.”

**Description:** A patent-protected organic formulation that works as a bio-fertiliser, bio-pesticide, and bio-fungicide—all in one. Made from 100+ natural, fermented, and bioactive components.

Formulated using a patented bio-fermentation process, this 100% organic input combines the power of a bio-fertiliser, bio-pesticide, and bio-fungicide in one. It is residue-free, safe for all crops, improves soil health, and enhances plant immunity—naturally.

**Recommended For:** All crops or specific crops

**Application Method:** Spray / Drip / Drench

**Dosages:** **Spray:** 30–40 ml mix with per liter water ; **Drip:** 3L per 200–300 Liters of water, **Drench;** 2–3 L dilute with 200–300 liters of water.

# OUR PATENTED INNOVATION

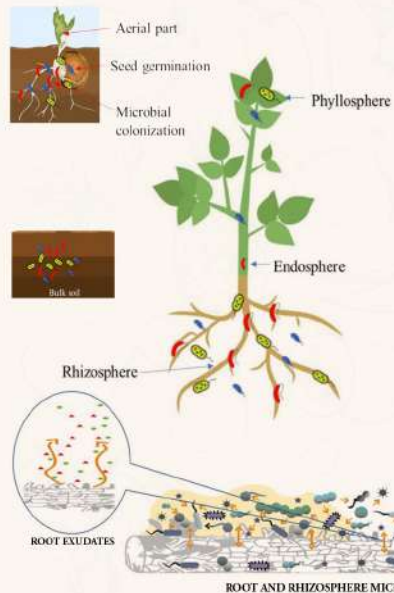

PROVEN GROWTH. TRUSTED BY FARMERS

TRANSFORMING AGRICULTURE WITH PATENTED BIO-TECH – TRUSTED BY THOUSANDS, BACKED BY RESULTS

India's First Patented Organic Solutions- Redefining Natural Farming with Breakthrough Bio-Technologies.

## PATENT INVENTION-2 : “Balanced Microbial Bio-Fertiliser Composition for Enhanced Plant Growth and Yield”

100+ Natural Inputs. 0% Chemicals. 30-50% More Yield. Protected under Indian Patent Application. Patent Application No: 202521073802

Patented - “Scientific Innovation in Sustainable Farming”

**Key Benefit:** “Triple-action organic power: bio-fertiliser, bio-pesticide, and bio-fungicide in one.”

**Description:** 100% organic bio-fertilizer rapidly boosts microbial activity using fermented biogas slurry and beneficial microbes. It enhances nutrient absorption, root growth, and flowering within 10-15 days. The triple-action formula strengthens plant immunity, increases yields by up to 50%, and improves soil vitality. Free from chemicals, it supports long-term sustainability across all crop types and climates.

**Recommended For:** All crops or specific crops

**Application Method:** Spray / Drip / Drench

**Dosages:** Spray: 30-40 ml mix with per liter water ; Drip: 3-5 L per 200-300 Liter of water, Drench; 2-3 L dilute with 200-300 liters of water.

**Packaging Sizes:** 500ml /1 L / 5 L/ 10 L/ 15 L

# OUR PATENTED INNOVATION

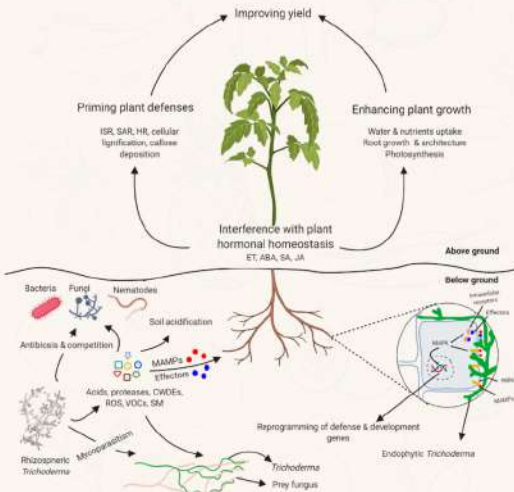

PROVEN GROWTH. TRUSTED BY FARMERS

INDIA'S PATENTED BREAKTHROUGH IN FLOWERING –ORGANIC HARVESTER MULTI-SEASON BIOFLOWERING SPRAY (OH-MSBFS)

Synchronises blooming, enhances flower set, and boosts yield naturally across all crop seasons—without a drop of chemical input

## PATENT INVENTION-3 : “Organic Harvester Multi-Season Bio-Flowering Spray. (OH-MSBFS)”

Powered by 100+ natural ingredients, it activates flowering genes for faster bud initiation and uniform bloom—100% organic, zero compromise. Protected under Indian Patent Application.

**Key Benefit:** Promotes fast, uniform flowering and improves flower setting while reducing drop. Enhances nutrient uptake and balances natural plant hormones for healthier growth. Visible results appear within 7–10 days of foliar application. Safe for all crop types and completely free from synthetic hormones or harmful chemicals.

**Description:** Organic Harvester Multi-Season Bio-Flowering Spray (OH-MSBFS) is a patented, chemical-free formula made from over 100 natural inputs. It activates flowering genes and boosts metabolism for faster bud initiation and uniform blooming. Results appear within 7–10 days, making it ideal for vegetables, fruits, pulses, flowers, and plantation crops.

**Recommended For:** Flowers & all seasonal flowering crops

**Application Method:** Spray (Foliar Application)

**Dosages:** 3–5 ml per liter of water (adjust as per crop stage and density)

**Packaging Sizes:** 500ml / 1 L / 5 L

# OUR PATENTED INNOVATION

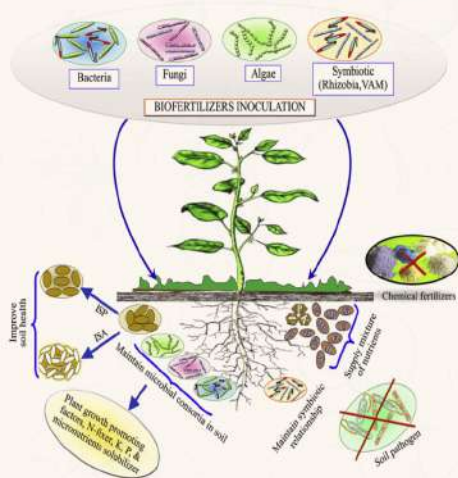

PROVEN GROWTH. TRUSTED BY FARMERS

INDIA'S FIRST INTEGRATED MICROBIAL-NANO-ORGANIC YIELD BOOSTER

Boosts yield up to 100% naturally—combining microbes, nanonutrients, and plant-based growth stimulants.

## PATENT INVENTION-4 : “Organic Harvester Yield Max Bio-Fertiliser (OH-YMBF)”

Organic Harvester Yield Max Bio-Fertilizer (OH-YMBF) boosts yields by up to 100% with a potent blend of microbes, nano nutrients, and natural growth stimulants. It enhances root growth, nutrient uptake, and plant metabolism for faster, healthier crops. The formula strengthens stress resistance and improves soil health, supporting sustainable farming across all crops and climates.

**Organic Harvester Yield Max Bio-Fertilizer (OH-YMBF)** is a patented, next-gen organic solution that can boost yields by up to 100%. It combines microbes, nano nutrients, plant hormones, and bio-stimulants to enhance root growth, nutrient absorption, and stress resilience. Ideal for all major crops, it improves soil health and productivity—naturally and sustainably.

**Recommended For:** Ideal for vegetables, fruits, cereals, pulses, oilseeds, spices, floriculture, and plantation crops across all seasons and soil types. Recommended during vegetative and early reproductive stages for maximum yield response.

**Application Method:** Spray (Foliar Application), Drip Irrigation, Soil Drenching

**Dosages:** Spray: 30–40 ml per litre of water (apply during early morning or late evening), Drip: 5 litres diluted in 200–300 litres of water per acre, Drench: 2–3 litres diluted in 200–300 litres of water per acre

**Packaging Sizes:** 500 ml / 1 L / 5 L / 10 L / 20 L

# OUR PATENTED INNOVATION

PROVEN GROWTH. TRUSTED BY FARMERS

OH-TXBF : TRIPLE-ACTION ORGANIC POWERHOUSE FOR 3X FASTER GROWTH AND 200% MORE YIELD

"Combining bio-fertiliser, bio-protection, and bio-activation in one potent formula to transform crop health, resilience, and productivity—naturally."

## PATENT INVENTION-5 : "Organic Harvester Triple X Bio Power Formula (OH-TXBF)"

"Engineered with advanced organic science to boost root strength, plant immunity, and fruiting—delivering unmatched performance from seed to harvest."

Protected under Indian Patent Application.

OH-TXBF Triple-Action Bio Power accelerates growth, doubles yield, and naturally protects against pests and fungi. It strengthens roots, boosts immunity, and revitalizes soil with beneficial microbes—offering an all-in-one organic solution that replaces multiple agri-inputs.

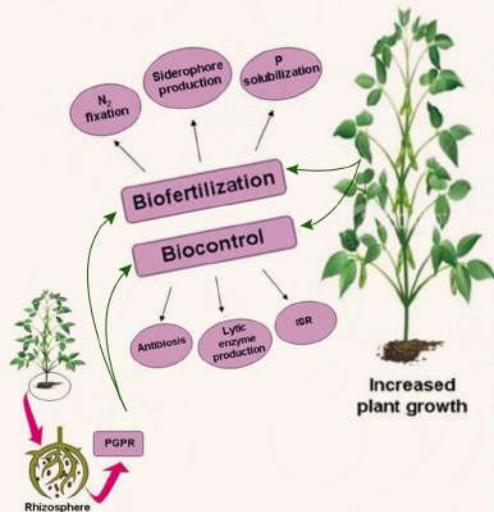

**Description:** Organic Harvester Triple X Bio Power Formula (OH-TXBF) is an advanced all-in-one organic solution for modern farming. It combines bio-fertilizer, bio-protection, and bio-activation to deliver 3X faster growth and up to 200% higher yields. A powerful, sustainable alternative to chemical inputs. OH-TXBF combines beneficial microbes, growth hormones, and natural protectants to boost roots, immunity, and pest resistance while revitalizing soil. Suitable for foliar or soil application across all crop types.

**Recommended For:** Ideal for vegetables, fruits, cereals, pulses, oilseeds, spices, floriculture, and plantation crops across all seasons and soil types. Recommended during vegetative and early reproductive stages for maximum yield response.

**Application Method:** Spray (Foliar Application), Drip Irrigation, Soil Drenching

**Dosages:** Application Methods: Soil Drenching: 3–7 L/acre (in 100–150 L water), Foliar Spray: 2–4 ml/L water. Frequency: Every 15–20 days during crop growth, 3–4 times per crop cycle.

**Packaging Sizes:** 500 ml / 1 L / 5 L / 10 L / 20 L

# OUR PATENTED INNOVATION

PROVEN GROWTH. TRUSTED BY FARMERS

ORGANIC HARVESTER AI TRADE HUB: REAL-TIME BARGAINING. DIRECT FROM FARM. POWERED BY AI

Eliminating middlemen and empowering farmers with AI-driven price discovery, direct market access, and smarter agricultural trade decisions.

## PATENT INVENTION-6 : "AI-Powered Dynamic Bargaining Platform for Agricultural Trade and Direct Farmer Connectivity"- Patent No-479487

"Connecting farmers, vendors, and exporters through intelligent, real-time negotiations for fair, transparent, and profitable agri-trade."

**Key Benefits for Farmers:** The platform empowers farmers with real-time price bargaining, direct access to buyers, AI-driven price discovery, and multilingual voice support—eliminating middlemen and ensuring fair, transparent trade.

**Key benefits for Traders and vendors:** benefit from direct sourcing from verified farmers, dynamic negotiation tools, reduced procurement costs, and a smart dashboard to filter crops by type, quantity, and region.

**Key benefits for Exporters:** the platform enables traceable farm-to-port sourcing, real-time harvest intelligence, built-in regulatory compliance, and seamless access to scalable farmer networks—making agri-export smarter, faster, and more cost-effective.

**Description of Invention:** This patented AI-powered agri-commerce platform enables real-time bargaining and direct trade between farmers, vendors, and exporters. Using machine learning and NLP, it suggests fair prices, predicts demand, and smartly matches buyers and sellers. With voice, multilingual support, and integrated services, it maximizes farmer profits while eliminating middlemen.

**Recommended For:** The Organic Harvester AI Trade Hub is a scalable, farmer-first platform enabling real-time, AI-driven agri-trade. It empowers small and marginal farmers by improving price discovery and reducing middlemen. Rollout will be through FPOs, government schemes, and agri-export channels, starting with pilot projects in key crop regions.

Portal and APP to be launched in next 6 months

## OH-GLOW LIQVITONIC BIO FERTILIZER

A PREMIUM BIOGAS-BASED LIQUID FERTILIZER ENRICHED WITH ORGANIC NUTRIENTS. IT IS DESIGNED FOR HIGH-YIELD ORGANIC FARMING AND IS SUITABLE FOR ALL STAGES OF PLANT GROWTH.

ORGANIC CARBON CONTENT- 38.92%

BALANCED C:N RATIO- C:N RATIO OF GLOW LIQVITONIC IS 8.8:1

TOTAL BACTERIAL COUNT- $1.62 \times 10^7$  CFU

SUPERIOR NUTRIENT CONTENT- TOTAL NPK IN GLOW LIQVITONIC IS 9.37%,

PH AND CONDUCTIVITY-PH IS 8.04

HSC CODE : 31010099

PRODUCT CODE : SSOH-IND/097

SIZES AVAILABLE : 5 to 20 LITRES

## OH-GLOW PREMIUM SPRAY PESTICIDES & FUNGICIDES

ORGANIC-BASED PESTICIDES THAT ARE SAFE FOR CROPS AND THE ENVIRONMENT. THIS PRODUCT IS DEVELOPED BY USING **108 COMPONENTS** THAT IS ALSO ADDED WITH **FULVIC ACID AND HUMIC ACID** IN THE "ORGANIC HARVESTER'S GLOW SPRAY". THESE COMPONENTS ARE CATEGORIZED INTO;

- A. PLANT GROWTH PROMOTERS,
- B. ORGANIC PESTICIDES,
- C. FUNGICIDES,
- D. SOIL ENHANCERS, AND
- E. BIO-STIMULANTS.

ORGANIC PESTICIDES

FUNGICIDES

BIO-STIMULANTS

PLANT GROWTH PROMOTERS

SOIL ENHANCERS

HSC CODE : 380892

PRODUCT CODE : SSOH-IND/098

SIZES AVAILABLE : 900 ML, 04 LITRE

## ORGANIC PREMIUM PESTICIDES – SAFE & EFFECTIVE

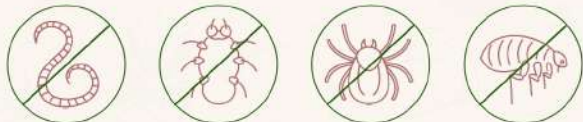

HARNESS NATURE'S POWER WITH OUR 100% ORGANIC PESTICIDES—DERIVED FROM PLANTS, MINERALS, AND BENEFICIAL MICROBES. THESE SOLUTIONS REPEL, DETER, OR ELIMINATE PESTS WITHOUT HARMING CROPS, SOIL, OR BENEFICIAL INSECTS.

### KEY BENEFITS

NON-TOXIC & ECO-FRIENDLY – SAFE FOR HUMANS, POLLINATORS & SOIL LIFE

TARGETS PESTS NATURALLY – FROM APHIDS TO CATERPILLARS TO FUNGI

NO CHEMICAL RESIDUES – PROTECT YOUR HARVESTS THE ORGANIC WAY.

BEFORE

AFTER

Choose nature's defence for healthier plants & a balanced ecosystem!

## ORGANIC PREMIUM FUNGICIDES – SAFE & EFFECTIVE

ORGANIC FUNGICIDES PROVIDE A NATURAL AND CHEMICAL-FREE WAY TO MANAGE FUNGAL AND BACTERIAL PLANT DISEASES. THEY WORK BY ENHANCING THE PLANT'S IMMUNE RESPONSE RATHER THAN KILLING PATHOGENS OUTRIGHT. THESE FORMULATIONS ALSO IMPROVE SOIL MICROBIOLOGY, SUPPORTING LONG-TERM SOIL HEALTH. SAFE FOR POLLINATORS, BENEFICIAL MICROBES, AND THE ENVIRONMENT, THEY REDUCE CHEMICAL DEPENDENCY. IDEAL FOR SUSTAINABLE FARMING, THEY HELP MAINTAIN CROP HEALTH WHILE PROTECTING ECOSYSTEMS.

## KEY ORGANIC FUNGICIDES & THEIR BENEFITS

COPPER SULPHATE – CONTROLS FUNGAL & BACTERIAL INFECTIONS

SULPHUR – PREVENTS POWDERY MILDEW & SCAB

NEEMOIL – ANTIFUNGAL & INSECTICIDAL

TRICHODERMA HERTZIAN – BENEFICIAL FUNGUS FOR DISEASE SUPPRESSION

GARLIC & CINNAMON EXTRACTS – NATURAL ANTIFUNGAL AGENTS

MILK SPRAY – EFFECTIVE AGAINST POWDERY MILDEW

TURMERIC & GINGER EXTRACTS – BOOST PLANT RESISTANCE

ESSENTIAL OILS (THYME, OREGANO, EUCALYPTUS) – STRONG ANTIFUNGAL PROPERTIES

**Ideal for organic farmers seeking chemical free disease managements!**

## OH-GLOW AGRI BIO FERTILIZER- HIGHLY CONCENTRATED

OH-GLOW AGRI MANURE/FERTILIZER IS A PREMIUM, BIOGAS-BASED ORGANIC LIQUID FERTILIZER ENRICHED WITH BIO-STIMULANTS AND ESSENTIAL NUTRIENTS. IT SUPPORTS SUSTAINABLE FARMING BY ENHANCING SOIL HEALTH, BOOSTING PLANT GROWTH, AND INCREASING CROP YIELD

### KEY FEATURES

#### HIGHLY CONCENTRATED

FAST ABSORBING LIQUID FORMULATION ENSURES QUICK NUTRIENT DELIVERY FOR OPTIMAL PLANT GROWTH.

#### 100 % ORGANIC & ECO FRIENDLY

MADE FROM BIOGAS AND NATURAL MATERIALS. FREE FROM HARFUL CHEMICALS SAFE FOR SOIL, CROPS, AND THE ENVIRONMENT.

#### VERSATILE APPLICATION

SUITABLE FOR ALL GROWTH STAGES (SEEDLING TO HARVEST) AND VARIOUS CROPS (FRUITS, VEGETABLES, CASH CROPS, HORTICULTURE).

#### IMPROVES SOIL HEALTH

ENHANCES SOIL STRUCTURE, BOOSTS MICROBIAL ACTIVITY, AND INCREASES WATER RETENTION FOR LONG TERM FERTILITY.

#### IMPROVES SOIL HEALTH

CONTAINS BALANCED MACRO & MICRONUTRIENTS + BIO STIMULANTS FOR VIGOROUS PLANT GROWTH AND HIGHER YIELDS.

**HSC CODE : 31010099**

**PRODUCT CODE : SSOH-IND/099**

**SIZES AVAILABLE : 2, 3, 5, 10, 15 & 20 KGs**

## READY-TO-USE PLANT GROWTH BOOSTER (PGB)

OH-GLOW PLANT GROWTH BOOSTER IS A 100% ORGANIC, READY-TO-USE LIQUID FORMULA DESIGNED TO STIMULATE VIGOROUS PLANT GROWTH, ENHANCE FLOWERING, AND INCREASE CROP YIELD. ENRICHED WITH NATURAL BIO-STIMULANTS, ESSENTIAL NUTRIENTS, AND GROWTH HORMONES, IT ENSURES FASTER ROOT DEVELOPMENT,

### KEY BENEFITS

#### INSTANT ABSORPTION

LIQUID FORM FOR QUICK NUTRIENT UPTAKE.

#### BOOSTS PHOTOSYNTHESIS

ENHANCES LEAF GROWTH & CHLOROPHYLL PRODUCTION

#### INCREASES FLOWERING & FRUITING

PROMOTES HIGHER YIELDS & BETTER-QUALITY PRODUCE

#### IT STRENGTHENS IMMUNITY

REDUCES PLANT STRESS FROM DROUGHT, DISEASE, OR PESTS.

#### ECO-FRIENDLY & SAFE

NO SYNTHETIC CHEMICALS, SAFE FOR SOIL & POLLINATORS.

HSC CODE : 380892

PRODUCT CODE : SSOH-IND/095

SIZES AVAILABLE : 500 ML, 01 LITRE

## READY TO USE PLANT GROWTH PROMOTERS (PGP)

PLANT GROWTH PROMOTERS ( ARE NATURAL OR BIO BASED SUBSTANCES THAT ENHANCE PLANT GROWTH, IMPROVE YIELD, AND BOOST STRESS RESISTANCE. UNLIKE SYNTHETIC CHEMICALS, PGPS WORK IN HARMONY WITH PLANT BIOLOGY TO STIMULATE ROOT DEVELOPMENT, FLOWERING, FRUITING, AND NUTRIENT ABSORPTION

**HSC CODE : 380892**

**PRODUCT CODE : SSOH-IND/094**

**SIZES AVAILABLE : 500 ML, 01 LITRE**

ORGANIC  
Harvester

## READY TO USE ORGANIC NUTRITION SPRAY- BLOOMING FLOWERS

OH GLOW ORGANIC BLOOM BOOSTER IS A 100 % NATURAL LIQUID SPRAY SPECIALLY FORMULATED TO ENHANCE FLOWERING.

PROLONG BLOOM LIFE, AND INTENSIFY FLOWER COLOUR.

MADE FROM PLANT BASED EXTRACTS, ESSENTIAL NUTRIENTS, AND BIO STIMULANTS, IT ENSURES BIGGER, BRIGHTER, AND MORE ABUNDANT FLOWERS WITHOUT CHEMICALS.

**HSC CODE :** 380892

**PRODUCT CODE :** SSOH-IND/097

**SIZES AVAILABLE :** 500 ML, 01 LITRE

## READY TO USE ORGANIC ENRICHED FERTILIZER - MAGNIFICENT FRUITS

OH GLOW FRUIT BOOSTER IS A PREMIUM ORGANIC FERTILIZER SPECIALLY CRAFTED TO ENHANCE FRUIT SIZE, SWEETNESS, YIELD, AND OVERALL PLANT VITALITY. MADE FROM 100 % NATURAL INGREDIENTS, INCLUDING ENRICHED COMPOST, FRUIT SPECIFIC NUTRIENTS, AND BENEFICIAL MICROBES, IT ENSURES JUICIER, TASTIER, AND HIGHER QUALITY FRUITS WHILE MAINTAINING SOIL HEALTH.

**HSC CODE :** 380892

**PRODUCT CODE :** SSOH-IND/091

**SIZES AVAILABLE :** 500 ML, 01 LITRE

## READY TO USE PLANT GROWTH REGULATOR (PGR)

PLANT GROWTH REGULATORS (PGRs) ARE NATURAL OR SYNTHETIC COMPOUNDS THAT INFLUENCE PLANT GROWTH AND DEVELOPMENT BY MODIFYING PHYSIOLOGICAL PROCESSES. UNLIKE FERTILIZERS, THEY WORK AT LOW CONCENTRATIONS TO CONTROL GERMINATION, FLOWERING, FRUITING, AND STRESS RESPONSES. USED NATURAL COMPOUNDS AS UNDER

### NATURAL PGRS (PHYTOHORMONES)

AUXINS  
(ROOT DEVELOPMENT)

GIBBERELLINS  
(STEM ELONGATION, FRUIT GROWTH)

CYTOKININS  
(CELL DIVISION, DELAY AGING)

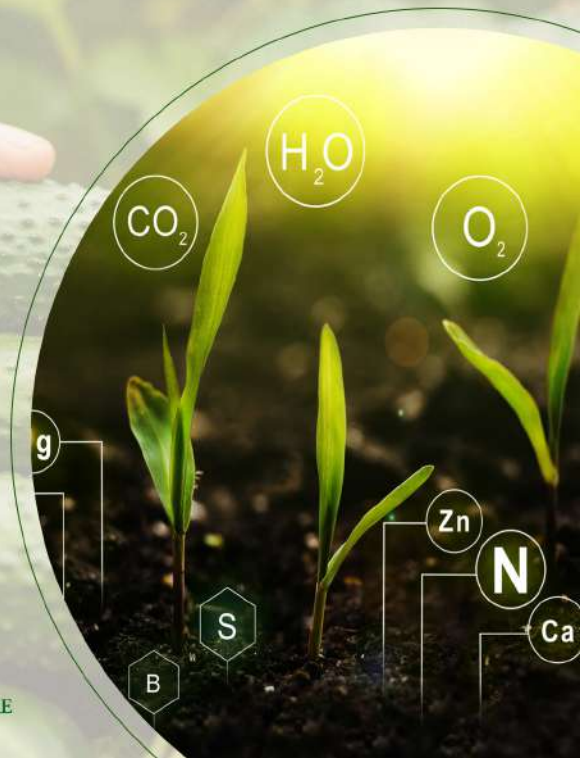

ABSCISIC ACID  
(STRESS TOLERANCE, DORMANCY)

ETHYLENE  
(FRUIT RIPENING, FLOWER DROP)

HSC CODE : 380892

PRODUCT CODE : SSOH-IND/091

SIZES AVAILABLE : 500 ML, 01 LITRE

## READY-TO-USE ORGANIC FUNGICIDE SPRAY (PREMIUM)

### PROTECT YOUR PLANTS NATURALLY!

OH-GLOW ORGANIC FUNGICIDE SPRAY IS A 100% NATURAL, READY-TO-USE SOLUTION DESIGNED TO PREVENT AND CONTROL FUNGAL DISEASES WITHOUT HARMFUL CHEMICALS. ENRICHED WITH PLANT EXTRACTS, ESSENTIAL OILS, AND BENEFICIAL MICROBES, IT OFFERS SAFE, EFFECTIVE, AND ECO-FRIENDLY DISEASE MANAGEMENT FOR HEALTHY CROPS.

BEFORE

AFTER

**HSC CODE : 380892**

**PRODUCT CODE : SSOH-IND/091**

**SIZES AVAILABLE : 500 ML, 01 LITRE**

**Say Goodbye to Fungus – The Natural Way!**

## READY TO USE ORGANIC PESTICIDES (PREMIUM)

READY TO USE (RTU) ORGANIC PESTICIDES ARE PRE MIXED, NATURAL FORMULATIONS FOR IMMEDIATE PEST CONTROL WITHOUT DILUTION.

MADE FROM PLANT EXTRACTS, MINERALS, OR BENEFICIAL MICROBES, THEY PROVIDE A SAFER ALTERNATIVE TO SYNTHETIC CHEMICALS.

ORGANIC  
Harvester

BEFORE

AFTER

**HSC CODE :** 380892  
**PRODUCT CODE :** SSOH-IND/092  
**SIZES AVAILABLE :** 500 ML, 01 LITRE

## READY TO USE BIO FERTILISER SPRAY , DRIP & DRENCH -VEGETABLES

READY-TO-USE BIO FERTILIZERS FOR VEGETABLES PROVIDE A CONVENIENT, ORGANIC SOLUTION TO BOOST PLANT GROWTH AND SOIL HEALTH. THESE PRE-FORMULATED PRODUCTS CONTAIN BENEFICIAL MICROBES THAT IMMEDIATELY ENHANCE NUTRIENT AVAILABILITY WHEN APPLIED TO SOIL OR PLANTS.

PERFECT FOR BOTH HOME GARDENS AND COMMERCIAL FARMING, THEY ELIMINATE MIXING TIME WHILE IMPROVING VEGETABLE YIELDS NATURALLY. BEING CHEMICAL-FREE, THEY'RE SAFE FOR ALL EDIBLE CROPS AND HELP MAINTAIN SUSTAINABLE FARMING PRACTICES. SIMPLY APPLY DIRECTLY TO SOIL OR ROOTS AS PER INSTRUCTIONS FOR HEALTHIER, MORE PRODUCTIVE PLANTS.

**HSC CODE : 31010099**

**PRODUCT CODE : SSOH-IND/089**

**SIZES AVAILABLE : 500 ML, 01 LITRE**

ORGANIC  
Harvester

## READY TO USE BIO FERTILISER-FLOWERS (PREMIUM)

READY-TO-USE BIO FERTILIZERS FOR FLOWERS ARE ECO-FRIENDLY, MICROBIAL FORMULATIONS THAT ENHANCE FLOWER GROWTH, BLOOMING, AND SOIL HEALTH. THEY CONTAIN BENEFICIAL BACTERIA (E.G., RHIZOBIUM, AZOTOBACTER) AND FUNGI (E.G., MYCORRHIZA) THAT FIX NITROGEN, SOLUBILIZE PHOSPHORUS, AND IMPROVE NUTRIENT UP TAKE.

### BENEFITS FOR FLOWERS

#### BOOSTS BLOOMING

INCREASES FLOWER SIZE, COLOR, AND LONGEVITY.

#### STRENGTHENS ROOTS

ENHANCES ROOT DEVELOPMENT AND STRESS RESISTANCE

#### IMPROVES SOIL

ENRICHES SOIL FERTILITY WITHOUT CHEMICALS

#### SUSTAINABLE

REDUCES DEPENDENCY ON SYNTHETIC FERTILIZERS

**HSC CODE : 31010099**

**PRODUCT CODE : SSOH-IND/089**

**SIZES AVAILABLE : 500 ML, 01 LITRE**
