

HOLSTEIN

FEED THE FUTURE

XTA MILK

Fueling Cows Producing up to 20 Liters of Milk Daily
Why Choose Our Feed?

High-yielding dairy cows need more than just basic nutrition. Our concentrate feed is formulated specifically to support cows producing up to 20 liters/day, ensuring consistent performance, health, and fertility.

- Balanced for high milk output
- Supports body condition & fertility
- Improves fat %, SNF & total solids
- Boosts immunity & rumen function

Premium Ingredients

Our scientifically formulated concentrate includes:

- Cereal grains (maize, wheat)
- Protein meals (soybean, groundnut, cottonseed cake)
- Digestible fiber sources (churri, rice bran)
- Molasses (for palatability)
- Mineral mix, salt & vitamin pack

Nutritive value

Crude Protein	Min-22%
Crude Fat	Min -4%
Crude Fiber	Max-10%
Calcium	Min-1.2%
Phosphorus	Min-0.7%
AIA	Min-4%

What's Inside?

- Dense source of energy
- Soybean meal, cottonseed cake for protein
- Bypass protein sources for milk yield
- Mineral & vitamin premix for health & reproduction
- Digestive enhancers: Yeast, probiotics, buffers

Why Farmers Trust Our Feed

- Increases milk yield & quality
- Keeps cows active and fertile
- Reduces metabolic stress & digestive issues
- Economical: better feed efficiency per liter
- Helps to maintain better health and body condition.

FEEDING GUIDE

Feed 500g of concentrate per liter of milk, Always provide green fodder, dry forage & clean water
Use alongside a balanced TMR or ration plan
